As an aifc student you can choose to pay your tuition fees upfront or utilise **VET FEE-HELP** subject to the criteria noted below.

VET FEE-HELP

aifc is a Registered Training Organisation (RTO) code 88037 and as an RTO we are also approved VET FEE-HELP providers. VET FEE-HELP is a Government loan scheme available to Australian Citizens and those on Humanitarian Visas and offers you a '**study now and pay later**' option.

All students who plan to utilise VET FEE-HELP will need to complete a 'Request for VET FEE-HELP Assistance' form which we will supply to you on request.

You will need to supply a certified copy of your Australian birth certificate, certificate of Australian citizenship or Australian passport (*if the name on your citizenship is different from the name you are enrolling under, you must provide evidence for all your legal name changes*) If you are on a Humanitarian visa, a copy must be attached. (You are not eligible for VET FEE-HELP if not supplied). These documents must be 'certified as a true copy of the original' by an authority such as Justice of the Peace, Australia Post office worker, Accountant, Doctor, Pharmacist or Policeman.

Further information on VET FEE-HELP is available online on the aifc website www.aifc.com.au/vet-fee-help/ or the VET FEE-HELP hotline on 13 38 73.
